

Audio/Video Request Form

Thank you for trusting the Audio/Video Team with your project! To help you get the result you are looking for we need a bit of information.

Your Name

Your Company Name

The project is Audio Video

How long do you want the final clip to be?

How will you be using the final product? (Ex. YouTube, Webpage, Blog, Facebook)

Any special instructions for us?

We generally use transition slides or graphics between clip segments when splicing or editing. This gives a smoother look to the video.

If you have graphics, logos, pictures or visuals you prefer us to use, please email these to websites@bestagentbusiness.com or to your Key Assistant.

Thanks again for letting us serve you!
